These rules are in place to ensure the safety and enjoyment of our market participants, as well as conforming to our contractual agreements with our hosts.

23. Missing a market:

- When completing the membership application you are asked to identify dates you plan to be vending. We use this info each week in advance to anticipate the space needs. The dates you list are your reservation and your attendance is assumed. It is the hope that most vendors will choose all markets and have occasional notified absences. The market manager may accept unreserved vendors with the proper advance notice, as space allows.
- Vendors who have a reserved space for that week must notify the Market Coordinator by 6pm Thursday if they are not attending on Saturday. Early notification is necessary to ensure adequate prep time for Day vendors to fill the spot. Vendors should reach the Coordinator by phone or email. Day vendors will be notified of space availability Thursday evening. In the event that advanced notice of absence is not given to the coordinator, a

one-day space fee will be charged, and must be paid prior to vending again.

- The market coordinator/site manager will enforce the market regulations. A decision may be appealed to the Board after the market but the decision at the time stands for that event.
- The following violations will be addressed and a penalty applied as follows:
 - 1) No show table fee due before vending again
 - 2) Late arrival may be turned away-table fee still due
 - 3) Early depart \$25 fine due before vending again
 - 4) No tent weights may vend without a tent, formal warning

Three warnings in a membership year may result in being dropped as a member, by a decision of the Board.

- Even on inclement weather days at the Outdoor Market, fair weather vendors MUST contact the Coordinator by 6pm Friday if they will not be attending.

Site coordination:

24. The Market Coordinator will enforce the Market rules and guidelines. If a conflict arises at the Market the Coordinator's decision is final until a quorum of Board members can resolve the issue. Vendors may file a written complaint with any Board member.
25. Vendors must at all times be courteous and act in a professional manner towards customers, other market members, and our Market Coordinator. Rudeness, foul language and/or angry exchanges will not be permitted and will be warned.
26. Each vendor must secure their tent with sufficient weights to insure the safety of the Market and regardless of the weather. Weights must be 20lbs. per leg front and back or the back of the tent can be secured to the vehicle in 2 places plus two 20lb weights on the front of your tent. Vendors are responsible for any damage that is caused by your tent. If you arrive at the Market and have no weights you must vend without your tent.
27. No part of any display can extend beyond the vendors allotted area into the customer walking area.
28. Each vendor is responsible for keeping his or her site clean and free of debris. It is required that all vendors who generate trash must have a trash container in their space. No outdoor vendor trash is to be deposited in site trash barrels or

the VFW dumpster. A trash barrel is provided for the Indoor vendors.

29. Vendor pets are not allowed.
30. The Market Coordinator will regulate noise levels of all kinds.
31. Parking at the market is limited. Please keep parking spaces close to the market open for customers. Vendors are allowed **one** adjacent space per booth. Several vending booths do not come with any parking at all. Other vehicles should be parked off site. On a rare occasion there may be a time when all vendor vehicles at the Outdoor Market may not be allowed on site. The Board will keep you informed.
32. When backing up on site after the market please designate a spotter to direct you for safety reasons.
33. We want our shoppers to have a distraction free shopping experience. Therefore, open soliciting is not allowed at the MFM. There is only soliciting that is sanctioned by the Executive Board or happens BEHIND vendor or non-profit tables. It is unacceptable to approach shoppers to solicit signatures etc, disperse information.

ALL VENDORS ARE EXPECTED TO KNOW AND FOLLOW THE GUIDELINES OF THE MIDDLEBURY FARMERS' MARKET OR WILL BE SUBJECT TO PERMANENT DISMISSAL FROM THE MARKET. IF A VENDOR IS FOUND IN VIOLATION TO NOT BE FOLLOWING THE GUIDELINES THEY MAY BE SERVED A WARNING.

The warning will be given verbally and in writing, stating which guideline has been violated, and the specifics of the violation. The warning will state the right to appeal and the potential consequences of further violations. The issuing party will sign the warning and the offending vendor will sign stating they understand the consequences of further violations and their right of appeal. If the offending vendor refuses to sign the warning then the refusal will be noted and a member of the MFM Board will be asked to witness that the warning was presented to the offending vendor. The vendor may appeal any served warning in writing within 10 days of receiving the warning. The appeal should be addressed to the Middlebury Farmers' Market Board of Directors, and sent to: **Middlebury Farmers' Market, P.O. Box 385, Middlebury, VT 05753**

The appeal should include the date and specifics of the warning and the reason for the vendors' appeal. MFM Board will decide on the appeal within 30 days of receiving the appeal. Upon receiving 3 warnings in a given season, and pending the MFM

Board's decision on any appeal filed, the vendor may have their membership and the right to sell at the market revoked without a refund of any fees. This is three warnings of any kind whether it is three warnings about the same guidelines or three warnings about different guideline violations.
